How to Use Your Medical Information Wallet Card:

- Fill out your important **Patient Information**.
- Fill out the list of **Medications**. Include how to take them, what time of day, and the reason for taking them. Include prescription medications, non-prescription medications, over-the-counter medications, herbals, vitamins, and supplements.
- Fill out the list of **Allergies** that you have, including what your reaction is and how severe it is.
- Cut out and fold the Wallet Card and keep it in your wallet.
- Always carry the Wallet Card with you.
- Bring the Wallet Card to every medical appointment.
- Keep the lists up to date and review them with your doctor and pharmacist.

Medication errors are one of the main reasons for health care complications.
